

# Curriculum Vitae

## Veronika Thompson

### Qualifications

- ▶ BSc (Hons) Occupational Therapy, University of Southampton (2002)

### Professional membership and registration

- ▶ Royal College of Occupational Therapy
- ▶ Health and Care Professions Council (HCPC)

### Specific Experience

Adults and older people with complex disability, multi-pathology, trauma, orthopaedic, neurological and palliative conditions.

### Occupational therapist

A conscientious, holistic and driven member of the multi-disciplinary team, Veronika has worked as an Occupational Therapist (OT) for over 17 years. She has worked across the south west of England and in Australia.

With varied experience across health and social care within the statutory sector Veronika has established a broad knowledge base of the impact, rehabilitation and management of conditions during acute and long-term management phases. She works with all parties to advise and co-ordinate the provision of care and multi-disciplinary needs. As a well-respected member of the team, she has regularly contributed to the education, support and supervision of staff across different roles. Veronika is experienced in mitigating risk, crisis support and is an active advocate for client-centred intervention.

### Case Manager

Veronika joined StanleySmith Case Management in March 2019. She is supporting Case Managers with adult and children's caseloads, working to maximise clients' quality of life, enabling them to engage in activities which are meaningful to them. Co-ordinating the team providing therapies, support and care, she is conscientious in monitoring client centred goals, safety and well being.
